

POWERING THE WORLD

INNOVATIVE AND ADVANCED SOLUTIONS FOR POWER UTILITIES

EXPERIENCE TURNKEY POWER UTILITY SOLUTIONS

No matter what your power requirements from design and engineering through supply chain, commissioning and MRO, our team delivers the full package, we secure the parts. We engineer the solution. Then, we install, commission and maintain it.

In the ever-evolving landscape of power Utilities, businesses must maintain optimal efficiency and cost-effectiveness. Prismecs offers a holistic solution, integrating technologies, supply chain, and project management to ensure success. Prismecs advocates for the transition towards independent power generation utilizing fuel-flexible technology.

STRATEGIC POWER UTILITY SERVICES

Our key services encompass strategic power plant design and construction, leveraging cutting-edge technologies and sustainable practices to deliver reliable and efficient power utility solutions tailored to our clients' energy needs.

Engineering, Procurement & Construction Management

Operation & Maintenance Services

Technology & Consulting

OFFERING RELIABLE POWER UTILITY SOLUTIONS

Prismecs is a leading provider of power utility services, offering a comprehensive range of solutions tailored to meet the evolving needs of energy sector:

- ✓ Embracing diverse energy for resilience.
- ✓ Expertise in fossil, renewable, and emerging energy.
- ✓ Committed to top compliance and safety.

LGEN POWER: LOCAL, SCALABLE, FUEL-FLEXIBLE SOLUTIONS

A Linear Generator (LGEN) converts linear motion into electrical energy, offering a direct alternative to traditional rotational generators.

- ✓ Game-changing LGEN solutions for grid modernization.
- ✓ Reliable backup for fluctuating renewables.
- ✓ Easy, grid-compatible, ideal for all scales.

WHY TO CHOOSE POWER UTILITY SOLUTIONS

Choosing Prismecs is a smart move. With expertise and commitment, we're a reliable Power Partner driving success and sustainability.

- ✓ Advanced Technology and Innovation
- ✓ Customized Solutions and Expertise
- ✓ Regulatory Compliance and Safety

TRANSFORM YOUR ENERGY JOURNEY WITH PRISMECS

Prismecs empowers your energy transition with efficient, resilient solutions. Transform your power infrastructure for a sustainable future.

- ✓ Optimizing renewable and hydrocarbon power globally.
- ✓ Optimizing sustainable, viable renewable projects.
- ✓ From planning to regulation and decommissioning.

POWERING UP YOUR PROJECTS

We provide customized solutions designed to meet each client's unique requirements. Our approach ensures precision, flexibility, and alignment with specific project needs, delivering optimal results tailored to every client.

Sustainable Energy Solutions

Operations & Maintenance Services

Full Project Lifecycle Management Implementation

LET PRISMECS HELP YOU WITH LGEN POWER UTILITY SOLUTIONS BY IMPLEMENTING

High Efficiency

Near-Zero NOx

Air Permitting Requirements

Fully Dispatchable

Fuel Flexibility

Operations & Maintenance Services

GLOBAL EXPERIENCE AND RELIABILITY

Proven Track Record: Globally recognized for our meticulous and reliable approach, Prismecs has successfully managed projects with a total capacity of over **1500 MW**. With projects spanning more than 15 countries, we consistently deliver superior outcomes across a wide range of international projects.

Continuous Collaboration: Prismecs global cooperation with technical institutions enriches our service quality.

THE PRISMECS PHILOSOPHY

People by leveraging the potential of human capital, refracting it through the lens of advanced technology to enhance performance.

Products with tangible embodiment of Prismecs' ability to refract potential into performance ensuring high-quality with innovation and forward-thinking.

Processes by effectively utilizing its resources and strategies as dynamic components that evolve with technological advancements, resulting in high-performance outputs for clients.

THINK PRISMECS

With strategic locations and partners around the globe, PRISMECS is ready to deliver the supply chain and engineered solutions services you need — no matter your operating environment.
