

POWERING THE WORLD

EFFICIENT SOLUTIONS FOR METALS & MINING

ROBUST SOLUTIONS FOR METALS & MINING

Our team's extensive domain expertise helps operators turn challenges into optimal solutions. From mining through packing, partner with Prismecs to streamline the journey from A to Z.

Our metal & mining services encompass the entire lifecycle of operations, from exploration and extraction to processing, refining, and distribution. Leveraging advanced technologies and industry expertise, we optimize production processes, enhance operational efficiency, and ensure compliance with regulatory standards while focusing on safety, sustainability, and innovation.

EXPLORE METALS & MINING SERVICES

With cutting-edge technology, a focus on safety and compliance, and a commitment to innovation, Prismecs is your trusted partner in navigating the challenges and opportunities of the metals & mining sectors.

- ✓ From extraction and processing to distribution and beyond, our services are designed to optimize operations, enhance efficiency, and drive sustainable growth.
- ✓ Employing advanced data analytics and modeling techniques to optimize production processes, improve efficiency, and reduce costs in operations.
- ✓ Offering safety training programs and consulting services to help clients develop and maintain a strong safety culture & minimize workplace hazard.
- ✓ Providing comprehensive compliance and risk management consulting, helping clients navigate regulatory landscapes, mitigate risks, and ensure seamless operational continuity.
- ✓ Integrating sustainable energy options, such as renewables and energy-efficient technologies, to reduce environmental impact and support clients' sustainability objectives.
- ✓ Our tailored maintenance and asset management services maximize equipment lifespan, minimize downtime, and enhance operational reliability through preventive and predictive maintenance strategies.

EXTRACT MORE PROFIT

We are committed to empowering our clients to thrive in the dynamic landscape of metals & mining.

Integrating sustainability practices into our services while promoting resource conservation

Adopting emerging technologies, optimizing workflows, and enhancing operational performance

Enabling business to succeed in the evolving metals & mining spectrum

TAILOR TURNAROUND SERVICES

Prismecs provides comprehensive turnaround services tailored to enhance plant safety and reduce expenses, applicable to any location.

- ✓ Enhanced Plant Safety
- ✓ Cost-Efficiency
- ✓ Global Applicability
- ✓ Customized Solutions
- ✓ Minimized Downtime

GLOBAL EXPERIENCE AND RELIABILITY

Proven Track Record: Globally recognized for our meticulous and reliable approach, Prismecs has successfully managed projects with a total capacity of over 1500 MW. With 6 active projects spanning more than 15 countries, we consistently deliver superior outcomes across a wide range of international projects.

Continuous Collaboration: Prismecs global cooperation with technical institutions enriches our service quality.

THE PRISMECS PHILOSOPHY

People by leveraging the potential of human capital, refracting it through the lens of advanced technology to enhance performance.

Products with tangible embodiment of Prismecs' ability to refract potential into performance ensuring high-quality with innovation and forward-thinking.

Processes by effectively utilizing its resources and strategies as dynamic components that evolve with technological advancements, resulting in high-performance outputs for clients.

THINK PRISMECS

With strategic locations and partners around the globe, PRISMECS is ready to deliver the supply chain and engineered solutions services you need — no matter your operating environment.
